

Study in Austria

At the center
of Europe

Are you interested in studying in Austria?

Because of its rich cultural past and present Austria is cherished by people all over the world. The varied landscape is of great importance for tourism, there are many skiing resorts; in the summer there are lots of opportunities for hiking and climbing or for water sports on the numerous lakes. Other factors for a stay in Austria are the great social security, the economic stability and the great hospitality of the Austrians.

The Austrian educational system offers you a broad spectrum of educational opportunities. This is why Austria is an ideal place for studying and living.

International Students in Austria

Internationalisation at the Austrian Higher Education Institutions

Support and promotion of academic mobility and internationalisation of the higher education system are of great concern to us. The numerous international programmes offered by the Austrian higher education institutions and the high percentage of international students in Austria (**23 %**) confirm this fact.
