

Higher Education in Austria

The higher education location of Austria unites three very important aspects: a great number of high quality tertiary education institutions in all nine federal provinces, a long academic tradition and an open-minded atmosphere for creativity and innovation. In many areas the Austrian institutions have accomplished outstanding achievements on an international level and gained high reputation

The Austrian educational system offers you a broad spectrum of educational opportunities, making Austria an ideal place for studying and living.

Austria combines a long tradition in higher education with state-of-the-art research and offers five types of higher education institutions:

- **Universities**
- **Universities of the Arts**
- **Private Universities**
- **Universities of Applied Sciences**
- **University Colleges of Teacher Education**
